

## REQUIRED TEXTS AND SUPPLIES:

1. **ACCOUNTING 25th Ed.**, Carl S. Warren; James M. Reeve; Jonathan Duchac; South-Western/Cengage Learning Publishers

### TEXT PURCHASE OPTIONS:

**Option A:** Buy one-third of the book from De Anza (or local) Bookstore in loose-leaf format. This option includes a quarter-long ACCESS CODE for the required online internet access to CengageNOW. Homework, quizzes, and other tasks will be completed online at CengageNOW. This is probably the most straightforward and economical option. You should save your proof of purchase in case you are unable to complete the course. You may be able to get a replacement code from De Anza in the future if you drop or fail the course and you end up retaking it.

**Option B:** Buy directly from CengageNOW. You can buy ACCESS CODES with varying time limits and also full copies of the text. The code alone (while active) allows you to access the text in electronic format (e-book) and also to do the online homework, quizzes and tasks. Be sure to save your proof of purchase. If you follow this Option, be sure to use the special Cengage/De Anza microsite to purchase access. This may save you significant money compared to other Cengage online purchase pages. Go to <http://www.cengagebrain.com/micro/deanzaacct25e> for the microsite. Remember, this code is only for online access...e-book only...no hardcopy text.

**Option C:** Buy the entire textbook from another source. In this case, you will still need to buy the ACCESS CODE for online access. This is probably the most expensive option.

*CengageNOW registration hints: You will be given a class COURSE KEY. Be sure to record your login and password in a safe place. If you are using CengageNOW for the first time, please use your official name...the name you used when you enrolled at De Anza. If you have used CengageNOW before (for Accounting 1A or 1B for example), you will already have a CengageNOW account. In this case, use your pre-existing account and update it with this course key.*

2. Internet access required to complete assignments.
3. Calculator (Cell phones and other electronic devices are not allowed during class unless being used for class work. Please turn phones off while in class.)

## STUDENT LEARNING OUTCOME:

1. Identify elements of cost for a business and explain and analyze how costs are allocated and assessed for various users. Compare and contrast the cost acct system for a manufacturer, merchandiser and service firm and distinguish the differences and similarities between financial reporting and cost accounting and utilize npv (net present value) and irr(internal rate of return) for evaluating the financial viability of a business decision.

## COURSE OBJECTIVES:

Managerial accounting involves the collection and analysis of information used in management decision making. The course will cover job order and process cost systems, break even analysis, budgeting, variance analysis, product pricing, as well as capital investment analysis.

## COURSE STRUCTURE:

This is an online course. Online courses require substantial motivation and self-discipline. Course work and exams must be completed by the due dates. There are no exceptions for late work. Three websites are used in the course. CPascott.com, Catalyst, and CengageNOW all contain vital course information. Course work will be completed using both Catalyst, CengageNOW. The FINAL EXAM must be taken in person on the De Anza campus. (see below for more detailed information.)

**STUDENT EVALUATION:**

De Anza College has now converted to a plus/minus grade system. Your grade will be assigned according to the following scale: A+ 98-100%, A 93-97%, A- 90-92%, B+ 87-89%, B 83-86%, B- 80-82%, C+ 77-79%, C 70-76%, D+ 67-69%, D 63-66%, D- 60-62%, F 0-59%. Grades in this course are earned by student efforts...not “given” by the instructor based on student needs.

Your final grade will be based on the following Course Point values:

<u>Description</u>	<u>Course Points</u>	<u>% of Total</u>
Homework, quizzes, and other tasks	100	25%
Midterm exam (1 midterm only)	100	25%
Comprehensive Final Exam MUST BE TAKEN ON CAMPUS!	200	50%
Total Course Points	400	100%

**HOMEWORK, QUIZZES, AND OTHER TASKS:**

There will be a variety of tasks including chapter homework assignments, quizzes, forum discussions, projects, and other tasks. These tasks will be graded and scored based on “HOMEWORK POINTS”. Homework Points are different from Course Points. Homework Points will be converted into Course Points at the end of the quarter. The total maximum number of Homework Points is not known at the beginning of the quarter. At the end of the quarter the percentage of Homework Points will be calculated based on the number of points earned out of the number of points possible and then multiplied by 100 Course Points. For instance, if you earn 270 Homework Points out of a possible 300 Homework Points, then this would translate into 90% times 100 Course Points equaling 90 Course Points.

Chapter homework assignments consist of textbook exercises and problems and must be done online using the publisher’s website, CengageNOW. Assignments and due dates are posted at both <http://cpascott.com/dalc/dalcfl4schedule.pdf> and <http://cpascott.com/dalc/dalcfl4homework.htm> and are due as scheduled. Late assignments will NOT be accepted, however, the lowest chapter homework score will be dropped. (Do not rely on the due date and time seen on the CengageNOW site. This deadline is based on you own computer’s time...if your computer is not set to Pacific Time, then you will see the incorrect due date on the CengageNOW site.) Each chapter homework assignment will be worth fifteen (15) Homework Points. There are no exceptions for late assignments caused by computer or technical problems. Protect yourself by completing assignments well before the due date. Do not wait until the very last minute to finish your work!

There will be a variety of other tasks including, quizzes, forum discussions, projects, and other tasks. Some of these tasks will be worth fifteen (15) Homework Points, some will be worth ten (10) Homework Points, and others will be worth five (5) Homework Points. All of these task must be completed by the due date. The lowest 15 point assignment will be dropped, the lowest 10 point assignment will be dropped, as well as the lowest 5 point assignment.

**MIDTERM EXAM:** There will be one midterm exam. The exam will be taken on CengageNOW. The exam will be timed and cover the first four chapters. The exam must be taken within a specific time window. There are no exceptions for missed midterms. This midterm exam is worth 100 Course Points.

**FINAL EXAM: The comprehensive final exam is mandatory. De Anza Accounting Department rules require that all online courses must have an in-person Final Exam taken on the De Anza Campus. This Final Exam will be given 5:00pm-7:00pm. Friday December 5, 2014 on campus in FOR-3. This is the only time that the exam can be taken.** Please mark the time and date on your calendar and reserve that time. This final exam is worth 200 Course Points. Half of the course grade is determined by the score on this one exam. Official photo identification will be required for the Final Exam. [FOR-3 is in the Forum Building...click for campus map.](#)

You will be given a secret code so that grades can be published. The grades will be posted on the <http://www.cpascott.com/> website so that you can monitor your progress. There is a “statute of limitations” on grade corrections and changes. If you notice a problem, notify the instructor immediately. All requests for grade changes must be made within two weeks of the original posting of the assignment/test grade. No changes will be made after two weeks!

Extra credit may be available throughout the quarter; however, there are important limitations. Extra credit can NOT increase your grade from an A to an A+. Also, if you have earned less than a D+ (less than 67%) on all other work excluding extra credit, then NO extra credit will be allowed. In other words, if you have earned a D without regard to any extra credit, then extra credit can NOT be used to increase your grade to a passing score. Extra credit is a privilege...not a right. Any and all extra credit may be disallowed based on instructor discretion. Reasons that extra credit may be disallowed include, but are not limited to, failure to follow extra credit assignment instructions exactly, disruptive behavior, or lack of academic integrity.

Academic integrity is expected from each student. Cheating and plagiarism in ANY form will absolutely NOT be tolerated. (Even having an unused cell phone out on your desk during the Final Exam is considered cheating...minimum penalty is 10% reduction in exam grade.) Cheating may appear to be a tempting short-run solution to a problem. In the long-run though, those who cheat, really cheat themselves. You are in college to learn something that will be helpful later in life. If you fail to learn it, then you will have problems later on. In addition, the business and accounting world certainly does not need more dishonest people. Cheating and plagiarism is treated very seriously in this course and will result in a failing grade for either the particular exam/assignment or for the entire course. The Business Division Dean and the Campus Judicial Affairs Officer will also be notified by letter. This notification will result in a permanent record which may affect your future academic and professional career. All course work must be done by you. All written work must be your own original work except where you quote others with proper attribution. Failure to do so will be treated as plagiarism. Some written work may be submitted to Turnitin.com to test for originality. Disruptive behavior is also not acceptable. Students who behave in a disruptive manner will be dropped from the course, at the discretion of the instructor.

Once you are enrolled in the class you will not be dropped based on attendance or performance. However, registered students who do not complete the orientation quiz on Catalyst will be dropped as “no-shows”. If you need to drop the course, it is your responsibility to do so. If you are enrolled in the class after the final drop date, then you will receive an appropriate grade. Check the schedule of classes for the last day to withdraw with a "W". This date should be Friday, November 14, 2014.

**DRAFT 09/14/14**

Managerial Accounting (TBA)  
Schedule- Fall Quarter 2014

Items in **BOLD** are firm **DUE** dates/times.  
Non-bolded items are suggested course milestones.
