11. Business

11.1 Flea Market Concessions – November 2, 2013

(Information taken directly from the ICC Concession Bid Form)

- Auto Tech: We, the students/members of the Auto Tech program/Department whole heartedly ask for everybody to vote for us and allow us to run the drink stand at the next flea market so that we can use the earnings immediately on an annual canned food drive that we hold which starts very soon. The money earned will be used immediately to cover the \$200 per class. (3classes x \$200 = \$600), which each class uses on canned foods. We then leave each class compete against each other to see who earns the most cans. It's a very positive event that we end right before Thanksgiving by bonding the (3) stockpiles of cans, loading all the cans into the back of our trucks and then delivering them to West Valley Community Services. Last year we dropped off over 8,800 cans! We were awarded the CREST award by the city of Cupertino because of this. We have donated over 100,000 cans in the past 15 years! A vote for us will result in feeding hungry mouths.
- ETC: Hey there. We need the money for our various projects from our old and new club members. Our projects range from robotics to transportation to some bio medical thingy. As you can imagine, they are all pretty pricey. Also, we are hungry. Please feed us. ☺ Thank you. The End.
- IYF: The funds collected from this concession will be put into good use as it will be used to fund for our volunteering activities as well as provide opportunities for students who lack financial needs to participate in our programs such as mission trips to Mexico, English Camp overseas, and many more... The money we get from the concession bid will allow us to achieve our club's goal of obtaining more volunteers and help the community. IYF focuses on helping other and by allowing us to obtain more funds, you help us to continue our activities to contribute to the community!
- VSA: The reasons our club need the concession are we need to raise more money for our club in order to keep VSA alive. We need money to buy supplies, foods in our general meeting. Also, we need money to spend for our coming up culture show, which is next May.

Ballot Results: Auto Tech:18, ETC:15, IYF:8, VSA:8 Congratulations to Auto Tech!
A drawing was held and VSA was selected for the November 2 Concession Stands

Auto Tech's concession starts at 8:00AM and VSA's concession starts at 8:30AM
