

## Transfer Admission Guarantee (TAG) – Fall 2018 Transfer

**UC Irvine, Merced, Riverside, Santa Barbara**

### How to Apply

1) **Review the UC TAG criteria** (eligibility criteria differ between campuses and majors). Campuses will be posting their TAG criteria throughout the summer. Check the following websites often:

<http://admission.universityofcalifornia.edu/transfer/guarantee/>  
[http://www.deanza.edu/transfer/taa\\_tag\\_main/index.html](http://www.deanza.edu/transfer/taa_tag_main/index.html)

2) **Create a UC Transfer Admission Planner (UC TAP) account and enter in your information:**

<https://uctap.universityofcalifornia.edu/>

The UC Transfer Admission Planner (UC TAP) system instructs you to list in chronological order **ALL** college and university courses (including summer session and extension courses) for all terms you have attempted or completed (including courses you repeated or in which you earned an F, I for incomplete, or W for withdrawal), regardless of grade, length of attendance or whether you think the courses will affect your chances for a TAG. Enter your grades exactly as they appear on your records. **Refer to grade reports and transcripts; do not work from memory. Be sure to include courses that are currently in progress and planned for future terms.** Triple check your work.

When reporting **UC transferable** courses taken at a California community college (CCC), you will be selecting from a course-list displayed in the Planner System. All other courses will have to be manually typed into the system. You must transpose the course information exactly as it appears on the transcript. One exception is regarding the campus identifiers (D=De Anza, F=Foothill) attached to Foothill-De Anza's courses appearing on DegreeWorks and unofficial transcripts. (e.g. EWRT 211 will be listed as EWRT D211) Please report the proper course number (e.g. EWRT 211) by dropping the campus identifier in these cases. Remember, you should only be manually typing in CCC courses that are not UC transferable and courses taken outside of the CCC system. Triple check your work.

3) **Attend a TAG Information Session** (optional, but highly recommended). The Info Session schedule is available at:

<http://www.deanza.edu/transfer/>

4) **Once you have determined your TAG eligibility, finalize your UC TAP information:**

UC TAP may alert you to critical errors and/or missing information in red. Use the "Review" tab to check your work. **WARNING:** TAGs are often denied because of student errors on reported information.

5) **Select the "Apply for TAG" tab and follow the instructions to submit your TAG between:  
September 1 – 30, 2017**

- Your TAG application will be sent directly to the selected UC campus
- Check your Planner ("My Messages") and e-mail often for possible messages and requests. Complete all requested tasks immediately.
- Feedback regarding your TAG status will be communicated to you no later than November 15, 2017.

6) **Submit your UC Undergraduate Application (November 1 – 30, 2017)**

[www.universityofcalifornia.edu/apply](http://www.universityofcalifornia.edu/apply)

## De Anza - Advising

**Transfer Center Office Hours:** [www.deanza.edu/transfercenter/hours.html](http://www.deanza.edu/transfercenter/hours.html)

**Counseling Center Office Hours:** [www.deanza.edu/counseling/](http://www.deanza.edu/counseling/)

**Staffing is extremely limited.** To best utilize your session, we suggest you come prepared by:

- 1) Researching UC campus(es) and major(s).
- 2) Reviewing the TAG criteria for your selected campus.
- 3) Filling out all sections of the Transfer Admission Planner (as much as possible).  
Go to the "Review" tab, select "Print" and bring this document with you.
- 4) Requesting to have your official AP/IB scores and transcripts from all colleges (except Foothill-De Anza) attended sent to De Anza's Admissions Office.  
Please bring copies of these documents (unofficial okay) to your advising session.
- 5) Developing a list of specific questions ahead of time.

Check for updates often: [http://www.deanza.edu/transfer/taa\\_tag\\_main/index.html](http://www.deanza.edu/transfer/taa_tag_main/index.html)

FOR REFERENCE USE ONLY  
FALL 2018 UC TAG APPLICATION  
FILING PERIOD ENDED ON 9/30/2017.

## TAG Eligibility for Fall 2018 Transfer

### A California community college applicant who:

- ✓ has completed 45 UC transferable quarter units (including AP/IB/A-level) by the end of summer 2017;
- ✓ has earned a minimum **3.4 GPA** in all UC-transferable coursework by the end of summer 2017 and will maintain the 3.4 GPA in all UC-transferable coursework for all subsequent terms;
- ✓ has completed one UC transferable math (UC-M) course required for admission with a grade of C or higher by the end of summer 2017;
- ✓ has completed one UC-transferable English (UC-E) course required for admission with a grade of C or higher by the end of summer 2017 AND will complete the second UC transferable English (UC-E) course required for admission by the end of spring 2018;
- ✓ will complete 90 UC transferable quarter units by the end of spring 2018;
- ✓ will complete all major coursework for the chosen major including course prerequisites and minimum course GPA by the end of spring 2018 (see Transfer Requirements section below);
- ✓ is and will be in good standing for ALL colleges attended, and satisfy UC transfer eligibility requirements (see below);
- ✓ will complete the last 45 quarter units at a California community college by the end of spring 2018.

Many students who are not eligible for TAG are still exceptionally well-qualified and are strongly encouraged to apply for admission to UC Irvine through the regular application process during the filing period.

## **UC Transfer Eligibility Requirements (see [www.ASSIST.org](http://www.ASSIST.org) for course limitations) (WARNING: courses listed below may not be on IGETC)**

- Two UC-transferable courses in English composition (Area UC-E). De Anza courses include: EWRT 1A, 1AH, 1B, 1BH, 1C, 2, 2H, PHIL 3, COMM (SPCH) 9
- One UC-transferable course in mathematical concepts and quantitative reasoning (Area UC-M).  
De Anza courses include: MATH 1A, 1AH, 1B, 1BH, 1C, 1CH, 1D, 1DH, 2A, 2B, 10, 10H, 11, 12, 17 (57)\*, 22, 23, 43, 44, PSYC 15, SOC 15  
\*Students must complete both Statway courses; MATH 57 is UC transferable if taken during the 2014-15 academic year or later. MATH 57 was renumbered to MATH 17 effective fall 2016.
- Four courses selected from at least two of the following Subject Areas:
  - ♦ Arts and Humanities (Area UC-H) ♦ Social and Behavioral Sciences (Area UC-B) ♦ Physical and Biological Sciences (Area UC-S)

### Majors NOT available through TAG:

Biochemistry and Molecular Biology, Business Administration, Cognitive Sciences, Dance, Developmental and Cell Biology, Exercise Sciences, Genetics, Human Biology, Microbiology and Immunology, Music, Music Theatre, Neurobiology, and Nursing Science.

### Transfer Requirements<sup>^</sup>

Students are responsible for checking UCI TAG updates at: <http://www.admissions.uci.edu/apply/transfer/guarantee.php>

**See below for selective majors with courses required for transfer** (in most cases, only minimum requirements are listed)

**Caution: this is a reference guide only.**

**Information is based on UCI's 'Transfer Requirements by School' Website posted at time of printing:**

<http://www.admissions.uci.edu/apply/transfer/requirements.php>

You must refer to the above Website and ASSIST ([www.ASSIST.org](http://www.ASSIST.org)) for updates and department recommendations.

***Specific grade requirements are noted. If none specified, a grade of C or higher is required.***

**Claire Trevor School of the Art** - No specific course required, check [www.ASSIST.org](http://www.ASSIST.org) for recommended courses

### **School of Biological Sciences**

(Biological Sciences, Ecology and Evolutionary Biology, Biology/Education) –  
CHEM 1A, 1B, 1C; CHEM 12A, 12B, 12C; BIOL 6A#, 6B, 6C#

## Paul Merage School of Business

(Business Information Management) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, ACCT 1A/1AH, 1B/1BH, 1C/1CH; ECON 1/1H, 2/2H; one year of UC transferable computer science courses involving concepts such as those found in Java, Python, C++ or other object-oriented, high-level programming languages. Such as: (CIS 40, 41A, and 41B)\*\* (Note: Visual Basic, .Net, C, Basic, Perl, and other lower-level languages will not be accepted)

*The introductory sequence in ICS has moved to Python. The Bren School of ICS strongly encourages all participants to become familiar with this programming language prior to matriculation. Additional computer science courses beyond those required are strongly recommended. Java is used extensively in the curriculum; therefore, transfer students should plan to learn it by studying on their own or by completing a Java-related programming course prior to their first quarter at UCI.*

## Henry Samueli School of Engineering Questions: Contact the School of Engineering at: (949)824-4334

(Aerospace Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B, 4C; CHEM 1A; ENGR 35; (CIS 22A or 26A)\*\*  
Recommended: PHYS 4D; ENGR 37

(Biomedical Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B, 4C; CHEM 1A, 1B, 1C  
Recommended: PHYS 4D

Course not offered at De Anza but required for admission: UCI BME 60B@

(Biomedical Engineering – Premedical) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B, 4C; CHEM 1A, 1B, 1C, 12A, 12B, 12C  
Recommended: PHYS 4D

Course not offered at De Anza but required for admission: UCI BME 60B@

(Chemical Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B; CHEM 1A, 1B, 1C, 12A, 12B, 12C; (CIS 22A or 26A)\*\*

(Civil Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B; CHEM 1A, 1B, 1C; ENGR 35

Courses not offered at De Anza but required for admission: UCI ENGRCEE 20@ and ENGRCEE 81A@

(Computer Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B, 4C; (CIS 22A or 26A or 35A or 36A or 36B)\*\*; ENGR 37  
Recommended: PHYS 4D; CIS 21JA or CIS 26B

(Computer Science and Engineering) – see Donald Bren School of Information and Computer Sciences

(Electrical Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B, 4C, 4D; (CIS 22A or 26A or 35A)\*\*; ENGR 37

(Environmental Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B; CHEM 1A, 1B, 1C; ENGR 35

Courses not offered at De Anza but required for admission: UCI ENGRCEE 20@ and ENGRCEE 81A@

(Materials Science Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B, 4C; CHEM 1A, 1B, 1C; ENGR 35; (CIS 22A or CIS 26A)\*\*  
Recommended: PHYS 4D; ENGR 37

Course not offered at De Anza but required for admission: UCI ENGR 54@

(Mechanical Engineering) - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#, 1D#, 2A, 2B; PHYS 4A, 4B, 4C; CHEM 1A; ENGR 35; (CIS 22A or CIS 26A)\*\*  
Recommended: PHYS 4D; ENGR 37

Course not offered at De Anza but required for admission: UCI ENGRMAE 52@

School of Humanities - No specific course required, check [www.ASSIST.org](http://www.ASSIST.org) for recommended courses

## Donald Bren School of Information and Computer Sciences

**Business Information Management** – See Paul Merage School of Business

**Computer Game Science; Computer Science; Software Engineering** - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#; one year of UC transferable computer science courses involving concepts such as those found in Java, Python, C++ or other object-oriented, high-level programming language; data structures. Such as: (CIS 40, 41A, and 41B)\*\*  
For Computer Game Science and Computer Science, assembly language and machine organization are acceptable.

(Note: Visual Basic, .Net, C, Basic, Perl, and other lower-level languages will not be accepted)

*Applicants to the Computer Game Science major should be aware that several lower-division courses must be taken at UCI, so the minimum time to degree completion will be three years.*

*Additional computer science courses beyond those required are strongly recommended, particularly those that align with the major of interest. The first year of object-oriented programming is taught in Python. C++ and Java are used extensively in the curriculum; therefore, transfer students should plan to learn it by studying on their own or by completing related programming courses prior to their first quarter at UCI.*

**Computer Science and Engineering** - Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#; PHYS 4A, 4B; one year of UC transferable computer science courses involving concepts such as those found in Java, Python, C++ or other object-oriented, high-level programming language; data structures. Such as: (CIS 40, 41A, and 41B)\*\*

(Note: Visual Basic, .Net, C, Basic, Perl, and other lower-level languages will not be accepted)

**And** select one course from: MATH 2B, MATH 22

*Additional computer science courses beyond those required are strongly recommended. C++ is used extensively in the curriculum; therefore, transfer students should plan to learn it by studying on their own or by completing a Java-related programming course prior to their first quarter at UCI.*

**Data Science** – Minimum 3.0 GPA in required courses:

MATH 1A#, 1B#; (MATH 10# or PSYC/SOC 15); one year of UC transferable computer science courses involving concepts such as those found in Java, Python, C++ or other object-oriented, high-level programming language; data structures.

Such as: (CIS 40, 41A, and 41B)\*\*

(Note: Visual Basic, .Net, C, Basic, Perl, and other lower-level languages will not be accepted)

*Additional computer science and statistics courses beyond those required are strongly recommended, particularly those that align with the major of interest. The first year of object-oriented programming is taught in Python. C++ and R are used extensively in the curriculum; therefore, transfer students should plan to learn it by studying on their own or by completing related programming courses prior to their first quarter at UCI.*

**Informatics** - Minimum 3.0 GPA in required courses:

(MATH 10# or PSYC/SOC 15); one year of UC transferable computer science courses involving concepts such as those found in Java, Python, C++ or other object-oriented, high-level programming language; data structures.

Such as: (CIS 40, 41A, and 41B)\*\* (Note: Visual Basic, .Net, C, Basic, Perl, and other lower-level languages will not be accepted)

*Additional computer science courses beyond those required are strongly recommended, particularly those that align with the major of interest. The first year of object-oriented programming is taught in Python. Java is used extensively in the curriculum; therefore, transfer students should plan to learn it by studying on their own or by completing related programming courses prior to their first quarter at UCI.*

## Department of Pharmaceutical Sciences

**Pharmaceutical Sciences:** CHEM 1A, 1B, 1C (with a grade of B or better in each course); BIOL 6A#, 6B, 6C# (with a grade of B or better in each course) Note: to complete the BS degree in 2 years, transfer students will also need to complete CHEM 12A, 12B, 12C and CHEM 30A and 30B (with a grade of B or better in each course) before transfer.

## School of Physical Sciences

**Applied Physics/Physics** - Minimum 3.0 GPA in required courses:  
PHYS 4A, 4B, 4C with a minimum GPA of 3.0; MATH 1A#, 1B#

**Chemistry** – Minimum 3.0 GPA in required courses:  
CHEM 1A, 1B, 1C (with a grade of B or better in each course); MATH 1A#, 1B#

**Earth System Science** - Minimum 3.0 GPA in required courses:  
(CHEM 1A, 1B, 1C) preferred OR ((PHYS 4A, 4B, 4C) or (PHYS 2A, 2B, 2C)) with a min. 3.0 GPA; MATH 1A#, 1B#

**Environmental Science** - Minimum 3.0 GPA in required courses:  
(CHEM 1A, 1B, 1C) preferred OR (BIOL 6A#, 6B, 6C#)

**Mathematics** - Minimum 3.0 GPA in required courses:  
MATH 1A#, 1B#

## Program in Public Health

**Public Health Policy** – Select 3 courses (with at least 2 from the same discipline) from: ANTH 1/1H, 2/2H, (3 or 4), 6; ECON 1/1H, 2/2H; ES 1; POLI 2, 5; PSYC 1; SOC 1, 5 (or INTL 8), 20 (with a grade of B or better in each course)

**Public Health Sciences** - BIOL 6A#, 6B, 6C# (with a grade of B or better in each course); CHEM 1A, 1B, 1C (with a grade of B or better in each course)

## School of Social Ecology

(Criminology, Law & Society; Psychology & Social Behavior; Social Ecology, Urban Studies) - No specific course required, check [www.ASSIST.org](http://www.ASSIST.org) for recommended courses that could be taken prior to transfer

## School of Social Sciences

**Business Economics; Economics; Quantitative Economics** - ECON 1/1H, 2/2H (with a grade of B or better in each course); MATH 1A#, 1B# (with a grade of B or better in each course). For Quantitative Economics, MATH 2B# (with a grade of B or better)

**Cognitive Science** – *NOT available through TAG, but transfer students could apply as Psychology majors and those who meet specified course and grade requirements may apply to change their major after transfer.*

MATH 1A#, 1B# (with a grade of B or better in each course); MATH 10# or PSYC/SOC 15 (with a grade of B or better), PSYC 1, (4 or 8), 24 (with a grade of B or better in each course)

**All Other Majors** - No specific course required, check [www.ASSIST.org](http://www.ASSIST.org) for recommended courses that could be taken prior to transfer

**School of Education** - No specific course required, check [www.ASSIST.org](http://www.ASSIST.org) for recommended courses

**Questions:** Contact UC Irvine Admissions - phone: 949-824-6703 or email: [admissions@uci.edu](mailto:admissions@uci.edu)

\*\* See [www.ASSIST.org](http://www.ASSIST.org) for other course options; other CIS course options may be added later in the academic year.

^ Course requirements listed are based on information available at time of printing. You must check <http://www.admissions.uci.edu/apply/transfer/requirements.php> and [www.ASSIST.org](http://www.ASSIST.org) for updates.

# The honors version of this course has not been approved for articulation with UC Irvine at the time of this printing. Please check [www.ASSIST.org](http://www.ASSIST.org) in the fall for updates to the agreement.

## UC Irvine – Fall 2018 TAG Supplement for the School of Engineering

®The UC Irvine courses listed below are required for admission into specified engineering programs and must be completed by spring 2018. The following information is based on 2016-2017 articulation agreements on ASSIST and/or C-ID course equivalency information available at the time of printing. Students are responsible for verifying this information on ASSIST prior to enrolling in courses - this includes checking on the articulation status between UCI and the CCC, and any UC transfer credit limitations that may apply. For more information please contact the UCI School of Engineering - (949) 824-4334.

Students are encouraged to periodically check on the posted transfer requirements at: <http://www.admissions.uci.edu/apply/transfer/requirements.php> for possible updates.
