The California General Education Transfer Curriculum (Cal-GETC) is a series of courses that California community college (CCC) students may complete to satisfy the lower-division breadth/general education requirements before transferring to the California State University (CSU) or to the University of California (UC). CCC can certify completion of Cal-GETC, which is accepted by all the CSU campuses and many majors at all UC campuses. **A course can only be certified if it was approved for Cal-GETC when it was taken. Courses on this list are approved for academic year 2025-2026.** For a complete listing of courses, their approval dates, and any transfer credit limitations, visit ASSIST.org. All courses must be completed with grades of "C" or better OR with a "Pass" if the course was taken on a Pass/No Pass (P/NP) basis and the Pass is equal to a C grade or higher. Many colleges and universities require letter grades for major coursework, and/or have other restrictions on P/NP grades. Students are advised to consult with a counselor/academic adviser before selecting the P/NP option. See a counselor/academic adviser about UC majors, colleges, and professional schools which do not accept Cal-GETC, and for other transfer requirements. Upon enrolling in final course requirements and receiving conditional admission to the university, students must submit a request for certification to the De Anza College Admissions and Records Office. General Education (GE) Certification Request forms are available online at: <https://www.deanza.edu/admissions/forms.html>

NOTE: Zero textbook cost (ZTC) does not mean that every section is zero cost. It simply means that one or more sections typically is offered as zero textbook cost. There is no guaranteed seating in those class sections listed as zero cost.
