Completion of requirements on the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. All courses must be completed with grades of "C" or better OR with a "Pass" if the course was taken on a Pass/No Pass (P/NP) basis and the Pass is equal to a "C" grade or higher. Many colleges and universities require letter grades for major coursework, and/or have other restrictions on P/NP grades. Students are advised to consult with a counselor/academic adviser before selecting the P/NP option. A course is certifiable if, and only if, it was on the IGETC requirement list at the time the course was taken. See a counselor/academic adviser about UC majors, colleges, and professional schools which do not accept IGETC, and for other transfer requirements. Upon enrolling in final course requirements and receiving conditional admission to the university, students must submit a request for certification to the De Anza College Admissions and Records Office. G.E. Certification Request forms are available online at: [deanza.edu/admissions/forms.html](http://deanza.edu/admissions/forms.html)

### California State University / University of California Graduation Requirement - NOT PART OF IGETC

**(CSU) The U.S. History, Constitution, and American Ideals (AI)** is a CSU graduation requirement, not required for certification. CSU generally recommends **AI** be completed before transfer and this requirement may be fulfilled by completing **2 courses**: **POLI 1/1H** and **one** of the following U.S. History courses (**HIST 17A/17AH** or **17B/17BH** or **17C/17CH**). **POLI 1/1H** may be applied to **Area 4** and **HIST 17A/17AH**, or **17B/17BH**, or **17C/17CH** may be applied towards **Area 3** or **Area 4**. **However, it will be at the discretion of each CSU campus to allow courses to double count towards both AI and GE requirements.**

**(UC) The American History & Institutions (AH&I)** is a UC graduation requirement that may be met through examination or enrollment in specific courses. Each campus decides how its students may meet the requirement. Most transfer students fulfill this requirement through satisfactory completion of a one-year course in U.S. history or a half-year course in U.S. history and a half-year course in American government in high school. (UC Santa Barbara requires students to complete a college-level course). One, or a combination, of the following courses may fulfill this requirement: **POLI 1/1H**, (**HIST 17A/17AH**), (**HIST 17B/17BH**), (**HIST 17C/17CH**). **Please check UC campus catalogs for more information, including other course options that may be available.**
