- If you believe you are eligible for the TAG, review the information provided on the UCSC TAG site: <https://admissions.ucsc.edu/posts/guaranteed-admission-ca-community-college-transfers> and this document. Compile all of your transcripts and (if applicable) Advanced Placement (AP) or International Baccalaureate (IB) exam scores. **Log-in to the UC Transfer Admission Planner** (UC TAP), create your account, and enter your information. You will be applying for the TAG using UC TAP.

<https://uctap.universityofcalifornia.edu>

- Attend a UC TAG Workshop. (optional, but highly recommended) To view workshop schedule and to register go to: <https://www.deanza.edu/transfercenter/transfer-events/workshops.html>.
- You may also speak with a counselor or academic adviser to address specific TAG questions. Entering your information into UC TAP prior to seeking assistance will optimize your advising session. See: <https://www.deanza.edu/counseling/> or <https://www.deanza.edu/transfercenter/> Staffing is limited during the summer and early fall. **EOPS and ISP students should work with their program counselors and academic advisers.**
- Or contact UCSC Admissions directly by email: [admissions@ucsc.edu](mailto:admissions@ucsc.edu) or by using the 'chat' function that appears at the bottom right corner of their webpages, including: <https://admissions.ucsc.edu/>

“ For admission, all departments will accept Pass grades for major prep courses taken in spring 2020 except Cognitive Science and Psychology. Cognitive Science requires letter grades for all of their courses. Psychology still requires at least a B- in statistics and either UCSC’s PSYC 1 or PSYC 10. If a major has a specific overall GPA requirement, then students must still meet that, but it will be calculated from fewer courses if they have Pass grades. Contact UCSC for more information.
