12.2 Concession Bid for March 7, 2015

- The De Anza Network: The De Anza Network is an all-inclusive club whose goal is to help current students and alumni in building up their social and professional network with peers. The De Anza Network currently serves 165 students along with weekly events, training, and speakers to help assist the academic, social, and professional development of our members. We are requesting an opportunity for the club to both replenish our critically low funds as well as a chance to take part in a meaningful community event. The funds generated from this event will be used frugally for week to week operational needs such as covering our active online forums hosting fees and professional development materials for our members. This funding will also allow us to expand our program to reach more students who may benefit from the services and events hosted by our network.

- CCPC: We are planning the third annual CCP Cultural Night and need extra money to fund it. While the performers work for free, we need to buy them food so that they don't perform on an empty stomach! We also need to pay the videographer for his services too. Apart from Cultural Night, the club also needs money for our weekly food and drinks; one of the most important parts of learning about a new culture is trying their food, and while we try not to spend much, it still eats away at our funding. Please vote for us! We need money!

Ballot Results: The De Anza Network: 18, CCPC: 25, Congratulations to CCPC!
The IYF's (Since they were rained out in Feb.) concession starts at 8:00 am and
CCPC's concession starts at 8:30 am
