RE: ANTH 64, 64X-Z Internship Courses Status

This memo is to formally inform the Anthropology Department and the Social Sciences and Humanities Division that the submission of the ANTH 64, 64X-Z (Anthropology Internships) was not approved by the State Chancellor's Office due to the courses being considered as cooperative work experience by the course reviewer. While our faculty curriculum initiator and the Curriculum Coordinator made several attempts to explain and show that these courses were not cooperative work experience courses, the State felt that the courses needed to be completely rewritten to show otherwise.

Additionally, these courses were also submitted as part of Anthropology ADT to be approved by the State. In order for the Anthropology ADT to be approved, the Curriculum Office had to remove the courses from the initial program submission. The removal of these courses did not adversely affect any unit values and/or requirements for the program.

The faculty curriculum initiator has been informed of the actions taken above by the Curriculum Office back in May 2017 and is aware that in order for the ANTH 64, 64X-Z (Anthropology Internship) courses to be reviewed and approved by the State, they will have to be rewritten and resubmitted in the future, per the college's curriculum processes and deadlines for new courses.

Regards,
Mary K. Clark-Tillman

Re: Course Number Change Request - GUID 202 (LS 202) to LS 50 Effective Fall 2018

GUID 202 (LS 202, fall 2018), Student Success Strategies, is a course designed to help students succeed in college and is comparable to other CSU transferable college success courses offered by community colleges. Topics include learning styles, learning strategies, study skills, and personal management. I am requesting the course be renumbered from LS 202 to LS 50, effective fall 2018 to reflect both degree-applicability and transfer status.

- signed by Stacy Shears, Division Dean

 - a. Memo from Ilan Glasman, to be effective fall 18

To: Mi Chang

From: Ilan Glasman

Subject: Course name change

Date: January 30, 2018

Music courses 1A, 1B, 1C and 1D are, in fact Music Appreciation courses. The current title, Intro to Music, is misleading. The Music Department agrees that we can attract more students, and help ensure clearer expectation from the student population, under the traditional title for this set of courses.

Effective Fall, 2018, please change the title for these courses, for all sections:

MUSIC 1A: MUSIC APPRECIATION: Music in Western Cultures

MUSIC 1B: MUSIC APPRECIATION: Jazz Styles

MUSIC 1C: MUSIC APPRECIATION: World Music in America

MUSIC 1D: MUSIC APPRECIATION: Rock - From Roots to Rap

Thank you,

Subject: Stand Alone course status- ES 95A-D

Date: February 13, 2018

Hi Anita,

I have been asked to draft a stand-alone status statement for ES 95A-D- Environmental Studies Internship. As you know, I removed these classes from the EMBS degree offering this coming year as they are not loaded.

The classes do have student value as stated below and they should remain as active, stand-alone classes. If you agree, I need you to sign the statement below and send it to [Mi Changchangmi@fhda.edu](mailto:Mi.Changchangmi@fhda.edu)

"ES 95A-D will become stand-alone courses in FALL 2018. The purpose is to support out of classroom learning experiences in Environmental Studies. The audience for these classes is any student enrolled in an Environmental Studies course or ES Certificate/ Degree program who would like to supplement their classroom learning with District and College projects and /or internships and externships with partners in the community. While they will not fit into a specific certificate or degree, these courses contribute to enhanced student learning opportunities and workforce readiness".

Hello Mary,

This is to confirm the Student Learning Outcome listed below is being added to LRNA 77 course and will be effective Fall 2018.

Student Learning Outcome:

Demonstrate, via a culmination of the aims and methods specified in sections 3, 4, and 5 of the Special Projects contract, a mastery of the relevant overarching concepts.

Please let me know if you need addition information.

- b. To: Mi Chang and the Curriculum Committee
From: Maureen Miramontes- HTEC Program Coordinator
Date: March 4, 2018
Subject: HTEC 76A SLO change

I would like to request to have an SLO change before the date of revision for one of my courses.

The SLO change is required because in the Medical Billing System in today healthcare, ICD-9 is no longer being used. We have been teaching ICD- 10 for the past year to keep up with the change.

The course that needs this change is HTEC 76A, it currently reads-- Demonstrate

DE ANZA COLLEGE CURRICULUM COMMITTEE MEETING

knowledge to code diagnoses using ICD-9CM Coding Systems. It should read **Demonstrate knowledge to code diagnosis and procedures using ICD-10 and CPT Coding Systems.** Please let me know what the process will be to have the SLO changed. I would be glad to get started so this can become effective Fall 2018.

Thank you,

Maureen Miramontes RN

Per the annual Curriculum Office processes for courses not meeting the annual deadline, we are requesting that these courses be removed from the 2019-20 course catalog offerings for a period of one-year. The departments/divisions can submit these courses by the next annual curriculum deadline on May 1, 2019 to be reactivated in the 2020-21 course catalog offerings.
