Re: Request to postpone courses from fall 2025 to 2026 so that additional noncredit courses and a noncredit certificate can be started

I am requesting to postpone JOUR 61A course and its mirrored noncredit course, JOUR 361A, from Fall 2025 to 2026 in order to initiate additional noncredit courses and a noncredit certificate.

Also, JOUR 61B and JOUR 61C were due fall 2025, but their noncredit courses need to be initiated and included in the noncredit certificate.

A postponement will help initiate additional noncredit courses and a noncredit certificate by 2026.

Thank you!

However, a COA cannot exceed 24 units otherwise the program would need to be submitted as a new program. But, a COA-A already exists for this program. Therefore, the requested course (F/TV 26) that increased the total unit count has been moved to the electives area to leave the program at 24 units. This was emergency approved by Zack Judson, Catherina Wong and Sam Bliss on 6/24/2024.</p>

Re: Course(s) not meeting the annual curriculum deadline for the 2023-24 year to be

DE ANZA COLLEGE CURRICULUM COMMITTEE MEETING

offered in the 2024-25 catalog

The following courses did not meet our annual curriculum deadline for the 2024-25 year to be offered in the 2025-26 catalog/academic year. These courses were not in their final stage in eLumen to be considered a complete submission. Additionally, neither a formal deletion memo was submitted by the May 3rd initial deadline, the October 7th extension deadline, or the October 22nd second extension deadline.

MUSI 15A - Guitar Ensemble I
MUSI 15B - Guitar Ensemble II
PARA 92B - Corporate Securities Regulations
PARA 98 - Drafting Wills and Trusts
PARA 99 - California Probate Law and Procedures

Per the annual Curriculum Office processes for courses not meeting the annual deadline, we request that these courses be removed from the 2025-26 course offerings for one year. The departments/divisions can submit these courses by the next annual curriculum deadline on May 28, 2025 (unless otherwise communicated through the proper protocol chains) to be reactivated in the 2026-27 course offerings. If these courses are not submitted by the deadline, they face permanent deletion/removal from future course catalog offerings.

Should you have any questions, please feel free to contact my office. Thank you in advance for your cooperation and understanding in this matter.

Regards,
Mary K. Clark-Tillman

Re: Request for a Change of the Course Title
Effective fall 2026

Dear Members of the Curriculum Committee,
In order to align the course title of ESL 5 with the course title of EWRT 1A and other ESL courses, ESL Department would like to change the course title of ESL 5 from "Advanced Composition and Reading" to "Academic Reading and Composition".

If you have any questions about this request, please contact me at <traceyiva@fhda.edu>.

Hua-fu Liu, IIS Division Curriculum Rep

Subject: ARTS 2H and INTL 21 , ARTS 2J and INTL 22

The IIS Division would like the following curriculum changes to go into effect Fall 2026:

1. Make ARTS 2H the parent course in CA, remove cross-listing of INTL 21
2. Make ARTS 2J the parent course in CA, remove cross-listing of INTL 22

The minimum qualifications for these courses are Art History, not Ethnic Studies. These courses

serve as elective courses for the Art History AD-T and hence they will not meet the core competencies for Ethnic Studies courses. Both the IIS and CA divisions approve these changes.

Thank you for your assistance with these changes.

Re: Remove of Cross-Listing in HIST
Effective fall 2026

We would like to remove the cross listing of HIST 18A for AFAM 12A and HIST 18B for AFAM 12B. The prevailing state climate discourages the cross-listing of Ethnic Studies courses, especially for courses that are looking to satisfy the Cal-GETC Ethnic Studies general education requirement.

Re: Course Sunset Policy Deletions Effective Fall 2026

The following courses will be permanently removed from the 2026-2027 course catalog in accordance with the college's "Course Sunset Policy." All affected divisions were notified beforehand, and either no action was taken to retain the courses, or the division dean approved their removal. - e. Proposal: Hybrid Modality for Curriculum Committee Meeting – Singh

In alignment with the Brown Act requirements and to enhance accessibility, the Curriculum Committee is invited to discuss and consider adopting a **hybrid modality** for our currently in-person meetings. This would allow committee members to participate either in-person or remotely.

If approved, meeting invitations would include the following statement:

DE ANZA COLLEGE CURRICULUM COMMITTEE MEETING

"This is the regular meeting of the De Anza Curriculum Committee. For the current agenda, please visit [insert link]. Agendas will be posted in accordance with the Brown Act. This meeting will be conducted in hybrid format, offering both in-person and remote attendance options (remote attendance must occur from within District boundaries). Voting members attending remotely must complete a participation form by noon on Wednesday prior to the meeting, which will be recorded in the meeting minutes as required by the Brown Act."

Committee notes would reflect attendance accurately, distinguishing between in-person and remote participation.

RE: CIS Support Course Number Change (Effective Fall 2025)

 Re: ICS 17, ICS 17H and ICS 19 Minimum Qualifications
 Effective fall 2026

We are requesting that the minimum qualifications for ICS 17 and ICS 17H be changed from Philosophy and Intercultural Studies to Social Sciences OR Ethnic Studies.

The current qualification are too narrow and do not reflect the areas of knowledge required for this class.

We would like to change the minimum qualifications for ICS 19 from Intercultural Studies to Social Sciences OR Ethnic Studies.

There is very little in this class that is specific to Ethnic Studies and much that is related to specific issues in community organizing and advocacy. Many degrees in the social science are appropriate for this set of skills.

Re: Course(s) not meeting the annual curriculum deadline for the 2025-26 year to be offered in the 2026-27 catalog

The following courses did not meet our annual curriculum deadline for the 2025-26 year to be offered in the 2026-27 catalog/academic year. A formal deletion memo, nor an extension request, was submitted by this year's annual curriculum deadline.

- ADMJ 55 - Alcohol, Narcotics and Drug Abuse
- ADMJ 62 - Sexual Assault, Police and Community Response
- PSYC 63 - Sexual Assault, Police and Community Response
- ADMJ 64 - Administration of Justice Internship
- ADMJ 64X - Administration of Justice Internship
- ADMJ 64Y - Administration of Justice Internship
- ADMJ 64Z - Administration of Justice Internship
- ELIT 41H - Ethnic Literature of the United States - HONORS
- PERS 1 - Elementary Persian (First Quarter)

DE ANZA COLLEGE CURRICULUM COMMITTEE AGENDA

Per the annual Curriculum Office processes for courses not meeting the annual deadline, we are requesting that these courses be removed from the 2026-27 course offerings for a period of one year. The departments/divisions can submit these courses by the next annual curriculum deadline in May, 2026 (unless otherwise communicated through the proper protocol chains) to be reactivated in the 2027-28 course catalog offerings. If these courses are not submitted by the next deadline, then they face permanent deletion/removal from future course catalog offerings.

Should you have any questions, please feel free to contact my office. Thank you in advance for your cooperation and understanding in this matter.

Re: Clinical Chemistry Course name change
Effective fall 2026

Course ID HTEC D085A/HTEC D085B/HTEC D085C/HTEC D085D

The Laboratory Field Services (LFS), part of the California Department of Public Health, has changed its requirements for licensing students who take our MLT courses. In the past, they have accepted Clinical Chemistry 1 and Clinical Chemistry 2. They now ask that the course title include the wording quantitative analysis or analytical chemistry AND Clinical chemistry.

Our clinical chemistry courses already cover analytical chemistry and quantitative analysis, as per the LFS requirements. However, the licensing boards now require these elements to be explicitly stated in the course titles. This change is not just a formality, as it has already led to a student dropping out of our class.

Given the recent changes in the LFS requirements, I propose that we update the titles of our courses to better reflect their content and align with the new licensing standards.

Current Title: Clinical Chemistry I and Clinical Chemistry II, Lectures and Labs.
- New Title: HTEC 85A Clinical Chemistry Laboratory: Analytical Chemistry and Quantitative Analysis I with Biochemistry
- New Title: - HTEC 85B Clinical Chemistry Laboratory: Analytical Chemistry and Quantitative Analysis II with Automation
- New Title: HTEC 85C Clinical Chemistry Lecture: Analytical Chemistry and Quantitative Analysis I with Biochemistry
- New Title: HTEC 85D Clinical Chemistry Lecture: Analytical Chemistry and Quantitative Analysis II with Automation

Re: Course(s) not meeting the annual curriculum deadline for the 2025-26 year to be offered in the 2026-27 catalog

The following courses did not meet our annual curriculum deadline for the 2025-26 year to be offered in the 2026-27 catalog/academic year. A formal deletion memo, nor an extension request, was submitted by this year's annual curriculum deadline.

- AUTO 351A - Introduction to Automotive Principles - Chassis Systems
- AUTO 351B - Applications of Automotive Principles - Chassis Systems
- PEA 15 - Adapted Aerobic Swimming
- PEA 15X - Adapted Aerobic Swimming

- PEA 15Z - Adapted Aerobic Swimming

Per the annual Curriculum Office processes for courses not meeting the annual deadline, we are requesting that these courses be removed from the 2026-27 course offerings for a period of one year. Additionally, the eLumen workflows for these courses will be deleted by the Curriculum Office on **June 17, 2025**. The departments/divisions can submit these courses by the next annual curriculum deadline in **May 2026 (unless otherwise communicated through the proper protocol chains)** to be reactivated

DE ANZA COLLEGE CURRICULUM COMMITTEE AGENDA

in the 2027-28 course catalog offerings. If these courses are not submitted by the next deadline, then they face permanent deletion/removal from future course catalog offerings.

Area	Edit Type	Edit
Criteria 2	Required	All entries in the de Anza GE form should come from either methods of evaluation, assignments, or the course outline to satisfy the criteria. For this one, something like assignment 1-1 and/or 1-2 for collaborative, assignment 1-3 for oral, and assignment 4 for written would work well. I would also remove the outline F from this response since that doesn't help show oral, written, or collaborative work.
