De Anza Associated Student Body 1999-2000

The De Anza Associated Student Body (DASB) has a long standing tradition of funding numerous faculty and staff requests for classroom activities that enrich the lives of our students. In addition, the DASB funds a vibrant college life program unequaled by any other community college. We proudly present this 2000-2001 DASB budget to the Board of Trustees. This budget reflects our commitment to De Anza College and all of our fellow students.

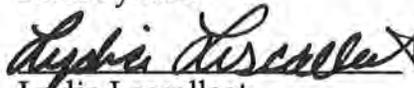

This budget speaks to our commitment to diversity, to maintaining excellence in the classroom, to providing leadership opportunities for all students, and to assisting student success with their goals.

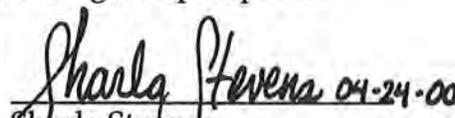

The DASB is able to accomplish these goals with this budget due to two major income opportunities. DASB Activity Card sales are at an all time high with an estimated 2000-2001 income of \$470,000. The other long standing income producing event is our monthly Flea Market. Over 25 years in existence, the DASB Flea Market has gained statewide recognition and is a favorite of our local community. Estimated Flea Market income for the 2000-2001 academic year is \$330,000.

Together these income producing events enable the DASB to support academic Divisions and Support Services for De Anza College.

We would like to thank all the members of the Budget Committee for all the long hours of arguing and eventual cooperation which made it possible to present a balanced budget.

We wish to congratulate all the program areas that were funded, and to encourage those who were not funded in this budget to not give up hope in future years.

This "Memorandum of Understanding" (MOU) is entered into by and between De Anza College and the De Anza Associated Student Body, (henceforth referred to as DASB).

HISTORY

The DASB Senate voted in 1987 to establish a capital projects account to fund various student capital projects. The fund accumulated from charging each DASB member an additional \$2.00 to the already established \$4.00 membership fee, (the total fee was increased to \$6.00, \$2.00 of which was deposited into the DASB Capital Projects account). Initially student projects included the creation of a Macintosh Computer Lab in the Open Media Lab located in the Learning Center, partial funding of the Outdoor Events Arena, and for providing a fall back fund for shortages associated with the campus expansion.

CAMPUS CENTER EXPANSION

The Campus Center was built using a loan from HUD funds. The general student body indebted themselves to pay off the loan to build the original Campus Center and to maintain and repair the building. This mandatory Campus Center Use Fee was set at \$4.50 per student per quarter. In 1993, the DASB Senate voted to increase the Campus Center Use Fee by \$3.00 to a total of \$7.50. It was estimated this fee, along with the \$2.00 DASB card surcharge, would create sufficient cash flow to pay the existing loan for the Campus Center, the loan needed for the Campus Center Expansion, support staff, and building repair and maintenance. Since these funds are dependent upon enrollment, the DASB Senate guaranteed available funds for payment of the COP for the Campus Center Expansion. These funds are to be used only if the revenue from the remaining Campus Center Fee (currently \$7.50) is not sufficient to pay the payment due on the COP for the expansion.

The parties to this MOU agree to the following:

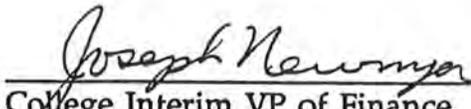

1. The DASB shall establish two new reserve accounts. One shall be titled Campus Center Expansion (CCE) COP Payments, and the second shall be titled DASB Technology.
2. The remaining balance in the District account 284201 of \$456,507.57 shall be deposited with Student Accounts with the appropriate signature cards. The amount of \$331,507.57 shall be deposited in the CCE COP Payment reserve and \$125,000.00 into the DASB Technology reserve.
3. To cover the DASB obligation toward the COP payment for 1995-96 the following will occur:

This "Memorandum of Understanding" (MOU) is entered into by and between the De Anza College Learning Resource Center and the De Anza Associated Student Body. This memorandum of understanding outlines the policies and procedures regarding DASB funds for purchase of library materials. While this memo specifically addresses the \$85,000 DASB has provided for purchase of library materials during the 1998-1999 fiscal year. However, the policies and procedures outlined in this MOU will apply to any future DASB funding for library material purchases.

MATERIAL SELECTION

1. Unless specified, the term "library materials" means print and non-print materials relevant to the college curriculum, to be housed in the De Anza College Library or Media Lab. Non-print materials include audio tape, video tape, film, CDs, computer software, and software licenses.
2. Recommendations for purchase can come from any student or student organization. Prior to purchase, recommended titles will be reviewed by appropriate faculty and a list of items to be purchased presented to the DASB Senate for review only. MATERIAL PURCHASE

1. The majority of materials purchased by the De Anza College Library are done through The Baker and Taylor Company or other major library book vendor utilizing deposit accounts. DASB funds for purchase of library materials will be deposited with The Baker and Taylor Company or other major library book vendor.
2. The Library Technical Services Department will keep records of titles purchased with DASB funds and will provide DASB with a quarterly report

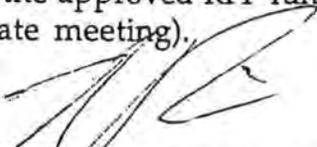

of the fund expenditures and balances.

3. A portion of the DASB funds (up to 10%) will be kept on campus in a DASB account. This account will be used for titles not available from The Baker and Taylor Company or other major library book vendor but available directly from publishers and other sources.
4. Every effort will be made to expend funds in the fiscal year they were awarded. Should balances remain at the end of the fiscal year, request will be made to roll over these funds to the next fiscal year.
