The General Assembly is an annual event held each spring. Participants gather tools and tips on how to be an effective student leader, advocate, and representative.

They network with other students around the state, receive information on current topics and issues, and debate on resolutions submitted by students at California community colleges that guide the organization.

Each spring, student leaders from across the California Community Colleges system come together for the SSSCC General Assembly—a core event focused on leadership development, advocacy, and student-driven decision-making. This annual gathering empowers students to share ideas, shape policy, and build a unified voice for community college students statewide.

The next General Assembly will be held from March 27-29, 2026, at the Hyatt Regency San Francisco Airport.

During this three-day event, attendees will:

Learn how to effectively represent student interests through workshops on leadership, advocacy, and campus engagement

Network with peers, SSSCC representatives, and student government leaders from all over California

Receive briefings on current statewide and national issues impacting students

Participate in the resolution process, where delegates debate and vote on student-submitted proposals that guide SSSCC's advocacy work

The General Assembly offers a powerful opportunity for students to engage in shared governance, influence statewide initiatives, and elevate the student voice. Whether you're attending for the first time or returning as a student, staff, or public member, this event provides the platform and tools to lead boldly and collaboratively.

Registration and hotel booking are now open! Check out the links to the right to begin the registration process and secure your spot.

Please note: SSSCC is able to offer reduced registration fees thanks to partial support from Student Representation Fee (SRF) funds collected from California Community College students. These funds help ensure broad access to leadership and advocacy opportunities.

Photo & Publicity Release:

By attending this event, you acknowledge that photos and videos may be taken by the Student Senate for California Community Colleges (SSCC). Your participation grants SSCC permission to use your image and/or voice in photographs, video recordings, and other media captured during the event.

These materials may be used for educational, archival, social media, and promotional purposes without further notice or compensation. If you prefer not to be photographed or recorded, please notify SSCC upon arrival.

For questions, please contact Dr. Julie Adams, SSCC Executive Director, at jadams@ssccc.org (<mailto:jadams@ssccc.org>).
