Registration for the General Assembly 2026 is now available! We recommend registering early to secure the best price.

Please note the price on the registration form says free, but the price of the ticket is listed in the ticket description. An invoice for registration fees will be emailed to the advisor or other designated contact with options to pay via check, credit card, or ACH transfer. For questions about registration or billing, please contact De'ja Corbin at dcorbin@ssccc.org (<mailto:dcorbin@ssccc.org>).

PLEASE NOTE: The SSCCC is able to keep our registration fees low because they are partially covered by Student Representative Fee (SRF) funds collected from students.

What is the cancellation/refund policy?

Please remember that the last day to cancel your registration without penalty is 7 days before the event. Cancellations must be submitted in writing to dcorbin@ssccc.org (<mailto:dcorbin@ssccc.org>). Please make sure to revisit the webpage to transfer your registration per the website instructions.

Registration will not be canceled due to non-payment.

Full Refunds will not be granted for cancellations after the posted cancellation deadline.

Cancellations made less than 7 days before the event will be billed the full registration amount for the conference.

No-shows, unclaimed "TBA" attendees, and cancellations made after the deadline will be billed to you and/or your college for the total cost of registration. As attendees are permitted to register without funds, we have no way of determining cancellation unless specifically told, in writing.

It is your responsibility to ensure payment of the registration fee. Submission of your registration signifies agreement with this policy.

Unpaid balances owed to SSCCC must be paid before an attendee can register for a future event.

The name on the registration/ticket doesn't match the attendee. Is that okay?

No. All attendee registrations must match the ticket. If you would like to transfer your registration, you must cancel the first one, then register the second attendee online. If a payment transfer needs to be made because payment was made by check, you must contact the SSCCC Office directly with a written notification at dcorbin@ssccc.org (<mailto:dcorbin@ssccc.org>)

For additional information email dcorbin@ssccc.org (<mailto:dcorbin@ssccc.org>).
