MATH-114-17 MTWThF: 12:30pm-1:20pm in E32
INSTRUCTOR: Dr. Iaroslav Kryliouk OFFICE: S76C
PHONE: (408)-864-8865 E-MAIL: krylioukiaroslav@fhda.edu
OFFICE HOURS: Daily, 9:45am-10:15am in S76C; daily, 1:30pm-2:00pm, except Friday, in S76C.

## Tutorial Center: S43

## Student Learning Outcomes for the course:

Outcome 1: Evaluate real-world situations and distinguish between and apply exponential, logarithmic, rational, and discrete function models appropriately.
Outcome 2: Analyze, interpret, and communicate results of exponential, logarithmic, rational, and discrete models in a logical manner from four points of view---visual, formulaic, numerical, and written.

Course Description: Application of exponential and logarithmic functions, rational functions, and sequences and series to problems. Emphasis on the development of models of real life applications and interpretation of their characteristics.

Text: Robert Blitzer, "Intermediate Algebra for college students", 7" ${ }^{\text {th }}$ edition, Pearson, 2016.

Related Materials: pencils, ruler, eraser, stapler, and pencil sharpener. Bring your textbook, notes, and all related material every day!!!
A graphing calculator TI-83+, or TI-84+, or TI-84 is recommended. For demonstration purposes one of these calculators will be used in the class. If you have another calculator, which you know how to use, you may use it.
Pre-requisite: Qualifying score on the Math Placement Test within the last calendar year; or MATH 212 with a grade of C or better.

Class rules: You are expected to attend all classes on time. If you miss 3 class meetings you may be dropped from the class. (No walking in and out, please). Private conversations during class are not permitted. Cell phones and pagers should be turned off. Cheating is not tolerated. Please respect other students' right to learn!

Homework: Reading each section before class helps you understand the lecture. Your written homework (HW) for each class will be assigned problems in the section covered in class and is due at the beginning of the next class period. You must show your work to get credit. Your HW should be written thoroughly with all steps shown, in well organized manner using pencil \#2 and lined $8.5 \times 11$ " paper. About $80 \%$ of your homework assignment will be collected and graded on completeness.

Quizzes: There will be about 15 quizzes. No make up for missed quizzes. The lowest 2 scores will be dropped.

Tests: There will be three (3) tests worth 100 points each. Material from any lecture, homework assignment, or quiz can appear as a test question.

The tentative schedule (subject to revision) of tests and the material covered is the following:
Test 1: Jan 31, Sec. 6.1-6.8
Test 2: Feb 27, Sec. 7.1-7.6, 4.2, 4.3, 10.1
Test 3: March 17, Sec. 9.1-9.6
Makeup Tests: There are no make -up tests, under any circumstances. If a test is missed, the percentage on the final exam will replace the score of the missing exam. If a second exam is missed, the grade will be a zero.
The lowest score of 3 regular tests will be replaced by a percentage on the final exam, provided the latter is higher.

Final Exam: There will be a mandatory comprehensive two-hour final exam worth 150 points, and this exam must be taken during the scheduled exam time on Wednesday, March 29, 11:30am-1:30pm, in E32.

Attendance: You are expected to attend all classes on time. If you miss 3 class meetings, you may be dropped from the class. However this is your responsibility to drop the course officially if you decide not to attend any longer.

Final Grade: Your final grade will be determined based on the following:
Grading Scale:

| Quizzes | 150 pts | $>==731(97.5 \%)=\mathrm{A}+$ | $\mathrm{X}>=543(72.5 \%)=\mathrm{C}+$ |
| :--- | :---: | :--- | :--- |
| Test 1 | 100 pts | $\mathrm{X}>=693(92.5 \%)=\mathrm{A}$ | $\mathrm{X}>=487(65 \%)=\mathrm{C}$ |
| Test 2 | 100 pts | $\mathrm{X}>=675(90 \%)=\mathrm{A}-$ | $\mathrm{X}>=450(60 \%)=\mathrm{D}+$ |
| Test 3 | 100 pts | $\mathrm{X}>=656(87.5 \%)=\mathrm{B}+$ | $\mathrm{X}>=412(55 \%)=\mathrm{D}$ |
| HW | 150 pts | $\mathrm{X}>=618(82.5 \%)=\mathrm{B}$ <br> $\mathrm{X}>=600(80 \%)=\mathrm{B}-$ | $\mathrm{X}>=375(50 \%)=\mathrm{D}-$ |
|  |  | $\mathrm{X}<375(50 \%)=\mathrm{F}$ |  |
| Final Exam | 150 pts |  |  |
| Total Points | $\mathrm{X}=750 \mathrm{pts}$ |  |  |

Missing one of the major tests is made up through added weight on the comprehensive final exam. Missing additional test results in a score of zero.

A grade of "I" (incomplete) will be given at the instructor's discretion, if:
i) A student has successfully completed at least $75 \%$ of the course work, and ii) has shown acceptable evidence which justifies his/her incomplete work.

## Important Dates:

Monday, Jan 9-Winter quarter classes begin
Saturday, Jan 21-Last day to add quarter-length classes. Add date is enforced.
Sunday, Jan 22-Last day to drop for a full refund or credit (quarter-length classes).
Drop date is enforced.
Monday, Jan 16-Observance of Martin Luther King's Birthday
Tuesday, Jan 31-Test 1 (Sec. 6.1-6.8)
Friday, Feb 3-Last day to request P/NP grade
Friday-Monday, Feb 17-20: Holiday: Presidents’ Day Weekend (no classes)
Monday, Feb 27-Test 2 (Sec. 7.1-7.6, 4.2, 4.3, 10.1)
Friday, March 3-Last day to drop with a "W" (withdraw date is enforced)
Friday, March 17-Test 3 (Sec. 9.1-9.6)
Friday, Mar 24- Last day of classes
Wednesday, March 29 -Final exam 11:30am-1:30pm, in E32
*** (N.B.: It is the student's responsibility to complete the withdrawal process. Student who stop attending class are NOT automatically dropped. A student who stops attending class and does not complete the withdrawal process receives the grade of "F")

Academic Misconduct: Academic dishonesty will not be tolerated. If a student is found cheating on an exam, plagiarizing on writing assignments, or violating other codes of academic integrity, he or she will receive a failing grade for the course and may be reported to the college for an appropriate action. See section on Academic integrity in your current schedule of classes catalog.

If you are student with a disability: If you fill that you may need accommodation based on impact of a disability, you should contact me privately to discuss your specific needs. Also, please contact Disability Support Services (864-8753) or Educational Diagnostic Center (864-8839) for information or questions about eligibility, services and accommodations for physical (DSS), psychological (DSS) or learning (EDC) disabilities.
