Newsletter Spring 2026 - Week 1

Highlights!

👉 Your Week 1 with MESA!

Welcome to Week 1!

Spring Quarter is here, and we know the first week can feel both exciting and overwhelming. If you're getting started on new assignments, adjusting to your classes, or looking for a place to stay focused, MESA is here to support you. Stop by anytime for drop-in tutoring! You can ask questions, review concepts, or simply study in a welcoming and supportive environment. Starting strong makes a difference, and even a short visit can help you build confidence for the weeks ahead.

🕒 MESA Center Open Day: Wednesday 8 April 2026! Come for Crumb! Cookies!

De Anza College

Highlight!

MESA at UC Berkeley: A Transformative Experience

MESA's recent field trip to UC Berkeley was an incredibly impactful and enriching experience for our students. Through the transfer workshop and student panel, participants gained not only practical guidance on transfer preparation but also meaningful insight into the UC Berkeley journey from both current students and industry professionals. The conversations highlighted academic expectations, daily student life, and valuable opportunities such as programs, scholarships, and internships. More importantly, the experience empowered students to see themselves within these spaces and better understand the pathways available to them. This visit served as a powerful step in strengthening both their confidence and commitment to achieving their academic and career goals.

Meet our MESA Tutor Rowan Schmieder-Frank!

I'm a tutor at the MESA center and I really enjoy helping people learn math. I know it's scary for a lot of people, and it is to me too sometimes, but there's always background or internal logic to explore and seeing a student's face light up with understanding is one of the most amazing feelings. Sometimes I don't have the answer, but I'm always happy to look into it together so we can both learn something.

MESA/De Anza College Events

MESA Scholarship 2026!

The MESA Scholarship is dedicated to MESA students who have successfully completed math coursework and made positive impacts in their communities. This scholarship recognizes students who demonstrate both academic achievement and a commitment to giving back.

Apply on De Anza College Academic Work!

Application Deadline: 24 April 2026

MPS Scholarship 2026!

We are excited to announce the MPS Scholarship, dedicated to supporting MPS students who have successfully completed Math through the MPS Program and who have made positive impacts in their communities. This scholarship recognizes students who not only demonstrate strong academic commitment in mathematics, but also show leadership, service, and dedication to helping others.

Apply on De Anza College Academic Work!

Application Deadline: 24 April 2026

UndocuSTEM Scholarship 2026!

The UndocuSTEM Program will award two \$500 scholarships who meet the scholarship criteria and have made a positive impact on the undocumented community. Open to all students regardless of ethnic or immigration background.

Apply on De Anza College Academic Work!

Application Deadline: 24 April 2026

Save the Date for UndocuSTEM!

We are excited to bring back the 5th Annual UndocuSTEM Conference at De Anza College! Join us on April 30th to hear from inspiring STEM professionals in Biology, Engineering, and Computer Science. This conference is a vital platform for all students, specifically undocumented and DACAmented students to gain the resources, mentorship, and community support needed to thrive in STEM pathways. Full Program to come.

External Opportunity

California Department of Public Health PAID Internship

Pathways supports students from historically underrepresented and diverse backgrounds by providing a structured entry into a public health career. Through this program, participants gain professional experience in student assistant roles located onsite at local health departments across the state.

Application: <https://secure10.saashr.com/ta/6158859.careers?ShowJob=688538434>

Deadline: Monday, April 20 at 11:59 PM (PT)

For more information: <https://www.cdph.ca.gov/Programs/CID/DCID/Pathways/Pages/CDPH-Pathways-Homepage.aspx>

NASA Pathways

We strategically hire our Pathways Interns based on long-term potential and alignment with NASA's future workforce needs. Specializing in multi-semester experiences, the Pathways Internship Program prepares you for a career at NASA and offers a direct pipeline to full-time employment at NASA upon graduation.

Application and for more information: <https://www.nasa.gov/careers/pathways/>

CCSF 33rd Biosymposium

Are you looking for an intern to mentor or searching for talent to recruit to your organization? This is the place to meet enthusiastic, mature and motivated students! Looking to start a career in biotech/bioscience? This is the place to learn more about the CCSF Biotechnology program which provides a pathway to a career in biotech through hands on wet lab courses, career exploration networking, and internships in the SF Bay Area for students at all levels.

Date: 22 May 2026
Time: 10:00 AM - 1:00 PM
Location: UCSF Mission Bay Campus – Genentech Hall

The Snap Academies

The Snap Academies are ambitious programs designed to provide meaningful career opportunities for community college students and youth who may have experienced homelessness, foster care, or the juvenile justice system. Through these programs, the Snap Academies strive to prepare our young scholars for careers that may have been otherwise inaccessible to them.

Deadline: April 10th at 11:59 pm PT.
Apply and for more information: <https://www.snapacademies.com/apply-now>

Adobe Sales Academy | Sophomore Immersion Day

You're invited to our Sophomore Immersion Day designed for rising juniors interested in internship opportunities within Sales at Adobe. This interactive event will give students a behind-the-scenes look at our internship recruiting process, a live product demonstration showcasing Adobe's cutting-edge technology, and the opportunity to hear directly from our Hiring Managers and former Sales interns about their experiences.

Tuesday, April 7, 2026, 11:00 AM (MDT) - 1:00 PM (MDT)

Registration and for more information: <https://careers.adobe.com/us/en/event/698f8723a62f9e3aa8b93bf/Adobe-Sales-Academy-Sophomore-Immersion-Day>

ScholarMatch STEM Transfer Program

The ScholarMatch STEM Transfer Program supports low income and first-generation students by providing guidance with transfer planning and application preparation. Through the program, students are paired with a trained ScholarMatch Transfer Coach who offers personalized, one-on-one support with college and financial aid applications.

Students can submit the application by the priority deadline of May 15 or by the final deadline on September 15, 2026. The application can be found here: <https://forms.scholarmatch.org/t/5CUuTScVRqus>

ScholarMatch Virtual informational Sessions every Tuesday

ScholarMatch will hold virtual informational sessions every Tuesday from 12:00 PM to 12:30 PM, beginning on March 11 through May 12th. You can find more details on our website page. We are also happy to coordinate a separate informational session at a date and time that best fits your schedule and your students' needs. Please let us know if you'd be interested.

Jim McEntee Scholarship 2026-2027 Academic Year

This scholarship fund is open solely to community college students in Santa Clara County who are transferring this academic year to a four-year university with junior year status.

Applications must be received by 11:59 pm on May 10, 2026.

For additional information, go to FriendsOfHumanRelations.org

AAUW San Jose-Scholarship for Local Women

Advancing gender equity includes helping women manage the high cost of higher education. In 2025 alone, AAUW-SJ awarded more than \$150,000 in scholarship money to 19 local students.

How to apply and for more information: <https://sanjose.ca.aauw.net/local-scholarship-application-information/>

Application deadline: 15 April, 2026

UNDOCUSTEM

UndocuSTEM aims to support undocumented students in the fields of STEM (Science, Technology, Engineering, Math) through accessibility, opportunity, and resources by creating a program that promotes equity, racial justice, leadership, and career development. The UndocuSTEM program was founded by students, and funded through the LatinXCEL grant from the Silicon Valley Community Foundation.

Arlyne - an UndocuSTEM Research Intern - who has worked together with volunteers to create an excel sheet to track all the available internships from this Fall. Take a few minutes to check it out!
