0	Ch.17: Standard Template Library Ch.17: The map, multimap, and unordered_map Classes	Exercise 17.2 Exercise 17.4 Quiz 16 Assignment 10 DQ 1 and DQ 2 Participation
1	Ch.18: Linked Lists	Exercise 18.1 Exercise 18.3 Quiz 17 Assignment 11 DQ 1 and DQ 2 Participation
2	Final Exam	

### Notice on Learning Disabilities

If there are any students with a learning disability or physical challenge, you are entitled to any assistance you need to achieve your academic goals. De Anza College has an on-campus lab with talking computers, print enlargers, tactile maps of the campus, and other alternate learning options. If you or anyone you know would benefit from such a service, please call Disabled Student Services at (408) 864-8753.

TYY number: (408) 864-5650

Please also contact us if you have suggestions for making this course more learning accessible for you.

**Week 11**

[. \(https://deanza.instructure.com/courses/34323/modules/359555\)](https://deanza.instructure.com/courses/34323/modules/359555)

**Week 12**

[. \(https://deanza.instructure.com/courses/34323/modules/359555\)](https://deanza.instructure.com/courses/34323/modules/359555)

To use the computers at school and to do the midterm and final tests, you need to create your **Windows account** (<https://deanza.instructure.com/courses/34323/files/11020129/preview>)\_ ↓  
([https://deanza.instructure.com/courses/34323/files/11020129/download?download\\_frd=1](https://deanza.instructure.com/courses/34323/files/11020129/download?download_frd=1)) first.

Each student belongs to a team. The exercises are done by a team. Check your **assigned team** (<https://deanza.instructure.com/courses/34323/files/11087516>)\_ ↓  
([https://deanza.instructure.com/courses/34323/files/11087516/download?download\\_frd=1](https://deanza.instructure.com/courses/34323/files/11087516/download?download_frd=1)) before doing the exercises. Designate a volunteer to post the exercises from each team.

All the assignments are to be done individually to reinforce the understanding of the learned subjects.

**Visual Studio** [↗](https://visualstudio.microsoft.com/) | **Dev-C++** [↗](http://www.bloodshed.net/devcpp.html) | **Code::Blocks** [↗](http://sourceforge.net/projects/codeblocks/) | **Codingground** [↗](https://www.tutorialspoint.com/compile_cpp11_online.php) | **C++ Shell** [↗](http://cpp.sh/) | **Onlinegdb** [↗](https://www.onlinegdb.com/online_c_compiler)

#### For Visual Studio

- Select Free Visual Studio --> Click on Visual Studio Community.
- After download then starts to install.
- After install, at the first popup window asks you to sign-in, Please click "Sign-in" button and type studentname@student.deanza.edu.
- Done, Now you can use the latest Visual Studio.
- To check the license status, Please go to Help on the menu bar and click to About Microsoft Visual Studio --> License status. It will show the status.

For Mac, use xCode. Download it from the Apple App Store.

## **[Canvas Student Guide \(https://deanza.instructure.com/courses/272\)](https://deanza.instructure.com/courses/272)**

Need help with this class? You are not alone.

Student Success Center peer tutors can relate and are ready to help! Go to the **SSC homepage**  (<https://www.deanza.edu/studentssuccess/>) and click on the yellow links for on-campus schedules and Zoom links.

- Tutoring: Drop-in or sign up for weekly sessions. Come with assignments or questions, or just stop by to check it out.
- Workshops: Skills Workshops on a variety of topics—managing stress, anti-procrastination, study tips and tricks, finding resources and community at De Anza and much more!
- Group tutoring and group study: Connect with classmates and others learning the same material. Most people learn better with others...give it a try!
- Support for online learning: Speak with a friendly peer tutor or SSC staff member about motivation and organization strategies to stay on track with less stress.
- Need after-hours or weekend tutoring? See **the Online Tutoring page**  (<https://www.deanza.edu/studentssuccess/onlinetutoring/>) for information about NetTutor (accessible via Canvas).

Day 1 = Monday, Day 2 = Tuesday, Day 3 = Wednesday, Day 4 = Thursday,  
Day 5 = Friday, Day 6 = Saturday, Day 7 = Sunday
