**Time: 2 to 5 p.m.**

**Location: El Clemente Room**

De Anza Campus Center

*Earn 3 hours of PGA/PAA Credit*

Here's an opportunity to engage in a lively, fun, and productive workshop event that will focus on sharing & developing classroom assessment experiences with these additional goals:

- 1) To become one of a few Assessment Liaisons for your department/division
- 2) To coordinate workshops and facilitate discussions with colleagues on the different phases of the student learning outcomes (SLO) assessment cycle.
- 3) To serve as a resource person on the SLOAC assessment strategies and process.

Learning outcomes are based on discipline-specific curricula and program outcomes, so *it is important to have leadership from discipline experts* as the SLOAC evolves.

Assessment Liaisons will *continue* to accumulate additional hours toward PGA/PAA as appropriate to the work they do within their departments/divisions.
